Re: White, Werner, Robinson/

This A.M. operative went to 132 Magnolia St.,
Hylan Park and found that Mr. White lived there but was
not at home and that he would be in the evening.

Operative then located Mr. George Werner at 75
Paterson St. and was told by Mr. Werner that Pearl Behmer
lived with he and his wife at 161 Burnet St., but she
went away about two years ago. Operative asked Mr. Wer-
ner if Pearl Behmer had left any letters or papers at
his home when she left and he said that there was a letter
about some clothing she had bought and also a telegram
from the party who she went away with, but he thought these
papers were destroyed. He then stated that he would look
around when he got home and stop into Mr. Watson's office
in the morning and let me know.

I then located the Robinson home, a short distance
from Nellie Russell's Farm, but no one was there/

In the evening operative went with Mr. Thompson
to Nellie Russel's Farm and as we drove in the road we
noticed an automobile near the Russell place, so we did
not go any further. We then returned to town and went
to the home of Jack White, 132 Magnolia St., but no one
was there. We then discontinued for the night.

Respectfully submitted:

C P M.
